

CURRICULUM VITAE

CARL BURTON DODRILL, PH.D.

2956 72nd Ave SE
Mercer Island WA 98040

Telephone (206) 236-0067
Cell (206) 788-7761
e-mail: carl@dodrill.net

NOTE: Sections on Music and Christianity are to be found at the end of this document

Revised December, 2022

PERSONAL DATA:

Birth date: September 1, 1943

Wife: Halie Dodrill

EDUCATIONAL HISTORY:

B.A. Westmont College, Santa Barbara, California, June, 1965
Major: Psychology. Minors: Biology, Sociology.

M.S. Purdue University, West Lafayette, Indiana, June, 1967
Major: Clinical Psychology
Minors: Experimental Psychology, Statistics
Thesis: Analysis of the Effects of Diffuse and Lateralized Cerebral Pathology on Motor, Perceptual, and Cognitive Functioning

Ph.D. Purdue University, June, 1970
Major: Clinical Psychology
Minors: Psychological Measurement, Counseling and Guidance
Thesis: Prediction of Relative Verbal Participative and Interruptive Behaviors in a Task-oriented Dyadic Situation on the Basis of Personality Characteristics

Additional training in various settings including Fuller Theological Seminary Extension, 1989.

EMPLOYMENT:

Veterans Administration Hospital, Danville, Illinois, August, 1965 - March, 1967. Psychology Trainee.

Veterans Administration Regional Office, Indianapolis, Indiana, March, 1967 - August, 1967. Psychology Trainee.

Department of Education, Purdue University, Lafayette, Indiana, September, 1967 - June, 1968. Research Assistant.

Neuropsychology Laboratory, Indiana University Medical School, Indianapolis, Indiana, March, 1968 - August, 1969. Lab Assistant.

Department of Psychology, Purdue University, West Lafayette, Indiana, September, 1968 - June, 1969. NIMH Fellow in Clinical Psychology.

Department of Medical Psychology, University of Oregon Medical School, Portland, Oregon, September, 1969 - August, 1970. Predoctoral Intern in Medical Psychology.

Department of Psychology, Westmont College, Santa Barbara, California, September, 1970 - June, 1973. Assistant Professor of Psychology. Department Chairman September, 1971 - June, 1973.

Department of Neurology, University of Washington School of Medicine, Seattle, Washington. Primary appointment, September 2001 to present as Professor Emeritus, with joint

appointments in Neurological Surgery, and in Psychiatry and Behavioral Sciences. Previous appointments: Research Assistant Professor of Neurological Surgery, June, 1973 - June, 1978. Assistant Professor of Neurological Surgery, July, 1978 - December, 1980. Assistant Professor of Neurological Surgery and Psychiatry and Behavioral Sciences, January, 1981 - June, 1981. Associate Professor of Neurological Surgery and Psychiatry and Behavioral Sciences, July, 1981 - June 1987. Professor of Neurological Surgery and Psychiatry and Behavioral Sciences July 1987, and Neurology (beginning March 1996) – September 2001.

Consultant to Madigan Army Medical Center Neuropsychology Fellowship, Tacoma Washington, 1980-1990.

LICENSES AND LISTINGS:

Lifetime license to teach in California Community Colleges, 1971 - Washington State License to practice psychology (#416), 1974 - 2013

National Register of Health Service Providers in Psychology, 1975 - 2001

Diplomate in Clinical Psychology, American Board of Professional Psychology, 1978 -

Diplomate in Clinical Neuropsychology, American Board of Clinical Neuropsychology/American Board of Professional Psychology, 1984-

HONORS:

Western Interstate Commission on Higher Education, Fellowship, summer, 1963

John Bunyan Smith Award, Westmont College, 1964

Outstanding Student in Psychology, Westmont College, 1965

Co-recipient, Annual Prize for the Best Published Controlled Trial of an Antiepileptic Drug, International League Against Epilepsy, 1977

Co-recipient, Annual Prize for the Best Published Controlled Trial of an Antiepileptic Drug, International League Against Epilepsy, 1981

Pfizer Traveling Fellow of the Clinical Research Institute of Montreal, 1985

Ambassador for Epilepsy award, International League Against Epilepsy/International Bureau for Epilepsy, 1991

Distinguished Neuropsychologist, National Academy of Neuropsychology, 2002

Extraordinary Service Award, Washington Epilepsy Society, 2003

William G. Lennox Award, American Epilepsy Society and the William G. Lennox Trust, 2003

Listed among 75 honored graduates on the occasion of the 75th Anniversary of Westmont College, November, 2012

PROFESSIONAL AND HONORARY SOCIETIES:

American Psychological Association, Member, 1971 - 1982; Fellow, 1983- (Fellow in Divisions 40, 6, and 28). Division 12: Editor of "Continuing Professional Development" Newsletter for Section II, Division 12, APA, 1974 - 1976; Program Committee, 1978 - 1981. Division 40: Program Committee, 1987-1989; Program Committee Chair, 1990 - 1992; President-elect, 1993 - 1994; President, 1994 - 1995; Past-president, 1995-1996

Western Psychological Association, member, 1973 - 1978

International Neuropsychological Society, member, 1979 - 2005

National Academy of Neuropsychology, member, 1988-1996; fellow 1996-; President-elect, 1996; President, 1997; Past President, 1998

Western Association of Christians for Psychological Studies, member, 1973 - 1979; member, Board of Directors, 1976 - 1978; Convention Committee, 1979

Christian Association for Psychological Studies, member, 1979 - 1989

Western Washington State Epilepsy Society, Professional Advisory Board, 1976 - 1978

American Epilepsy Society, member, 1976 -; Long-range Planning Committee, 1978; Program Committee, 1979, 1997; Program Committee Chair, 1980; Founder and Coordinator, Neuropsychology Interest Group, 1979 - 1986

American Academy of Neurology, Associate Member, 1985 - 2007

Pacific Northwest Neuropsychological Society, member, 1987-; President, 1987 - 1988 and 1992 - 1993

Epilepsy Foundation of America, Professional Advisory Board, 1980-1988; Board of Directors, 1981 - 1984

Western Regional Board, American Board of Professional Psychology, 1981 - 1990

Editorial Board, Journal of Psychology and Theology, 1976 - 1995

Editorial Board, Epilepsy Advances, 1985 - 1988

Editorial Board, Epilepsia, 1986 - 1996

Editorial Board, The Clinical Neuropsychologist, 1991 - 2000

Editorial Board, Neuropsychology, 1992

Editorial Board, Archives of Clinical Neuropsychology, 1998 - 2007

Editorial Board, Epilepsy and Behavior, 2001- 2007

Editorial Board, Seizure, 2005

PAPERS AND OTHER PRESENTATIONS:

Dodrill CB, Levin RH. The effects of diffuse and lateralized cerebral damage on perceptual, motor, and cognitive functioning. Midwestern Psychological Association, May, 1968, Chicago.

Dodrill CB. Personality characteristics of students not identifying with their parents' denominations at entrance into a Christian college. Western Association of Christians for Psychological Studies, May, 1974, Santa Barbara.

Dodrill CB. Diphenylhydantoin serum levels, toxicity, and neuropsychological performance among psychomotor and major motor epileptics. American Psychological Association, September, 1974, New Orleans.

Dodrill CB. Hemispherical amygdala perfusion, dysphasia, and memory impairment: A demonstration of alteration in human brain functioning. Tutorial presented at Western Psychological Association, April, 1975, Sacramento.

Dodrill CB. Guilford-Zimmerman test results in evangelical college students. Presented at the conference Research in Mental Health and Religious Behavior, sponsored by the Psychological Studies Institute, January 1976, Atlanta.

Wilkus RJ, Dodrill CB. EEG epileptiform activity and neuropsychological performance. Western EEG Society, February 1976, San Antonio.

CONTRIBUTIONS PERTAINING TO MUSIC

Organizations

Pipe Organ Foundation

--Founder and President 2000-present. The Foundation is a 501(c)(3) public charity devoted to saving pipe organs, rebuilding them, and making them available to public settings at very low cost.

American Guild of Organists

--Member, 1994-present

--Pipe Organ Encounter Program Chair, Seattle Chapter, 2008

--Seattle Chapter Board of Directors, 2012-2016. Dean-Elect 2012-2014. Dean 2014-2015. Past Dean 2015-2016

--Director, Organ in the Mall Program, 2015-present

Automatic Musical Instrument Collectors' Association

--Member, 1994-present

--Chair, International Convention, 2003, Portland, Oregon

--Pacific Can-Am Chapter, Vice President, President, and chapter representative to the AMICA International Board of Directors for multiple years beginning in 1999 to 2020

--Chair, International Convention, 2019, Seattle, Washington

American Institute of Organ Builders

--Member of Convention Committee, 2006

--Affiliate Member, 2006-2011; Regular Member 2011-present

CONTRIBUTIONS PERTAINING TO CHRISTIANITY

Church memberships and positions

Membership in four different churches in the Seattle area since 1973 with participation in the leadership bodies in each church, extensive Bible teaching in each, and involvement on multiple other levels in each.

Journal articles

See Research Publications #1, 3, 11, 13, and 15 on pages 29 and 30 of this document. These deal with empirical studies on different aspects of Christianity.

Other publications

Practical Bible Knowledge: The New Testament. Multiple editions of booklets providing foundational information for a New Testament Survey class offered to college students and adults in several settings since the 1980s. As many as three booklets used for this class totaling more than 50 pages.

Jesus Is There: Discovering Jesus at Work in the Old Testament. Bloomington, Indiana, WestBow Press, 2021, 132 p.
